NEW TESTAMENT 2019

## FISHERS OF MEN ACTIVITY

### Matthew 4; Luke 4-5

In Matthew 4:18-20, Jesus approaches Simon Peter and Andrew and says, “Follow me, and I will make you fishers of men.” There are many things Jesus can teach us to help us reach our divine potential. It is through him that we become the best we can be. Here is a fun fishing activity to learn of the different ways Christ helps us grow and learn:

**Materials:** paper fish with quotes (found below), 8-10 paper clips, magnet, string, pencil/pen

Print and cut out the paper fish found below. Each has a general conference quote talking about how Jesus helps us grow. Two of the fish are blank, giving you the option to write down your own favorite quotes on this topic. (Note: You may print them out on colored paper or have your kids help you color them, if you would like.)

Put a paper clip on each fish.

Make a fishing rod by tying a pen or pencil to one end of a piece of string and tying a magnet to the other end of the string.

Spread out the fish on the floor or another surface.

As a family, read Matthew 4:18-20. Discuss what it means to be “fishers of men.” Explain that Jesus helps us grow and learn in many ways.

Let each child take a turn “fishing.” Once they have caught and reeled in a paper fish, read the quote as a family and discuss it if you would like.

When all the fish have been “caught,” consider discussing a few questions found in the Come, Follow Me—For Individuals and Families book:

When have you felt the Savior calling you to follow Him?

How can you show the Lord that you are willing to “[forsake] all” (Luke 5:11) to follow Him?

\* Feel free to alter this activity depending on the ages and attention spans of your kids.
