## EASTER SCAVENGER HUNT

**Materials Needed:** One plastic grocery sack and one Easter Scavenger Hunt List for each child (see printable below).

**Activity:**

1. Take a walk outside and find and place each of the items on the list in a bag.
2. When you arrive home, have the children pull out each item, one at a time, and discuss the significance of each. You may choose to look up a scripture related to the object.
  - Branch = the people waved palm branches at Jesus' triumphal entry (Matt. 21:1-11)
  - Something prickly = crown of thorns worn by Jesus (Mark 15:17)
  - A piece of wood = the cross was made out of wood (Matt. 27:32-35)
  - Something no longer alive = the Savior truly died (Matt. 27:50)
  - Something white = the white linen Christ was wrapped in before being placed in the tomb (Mark 15:46)
  - A stone = the huge stone at the opening of the tomb that the angel rolled away (Matt. 28:2)
  - Something living = to remind us that Christ was resurrected and lives again (Luke 24:23, Mark 16:5-7, 1 Cor. 15:4)
