

# Mosiah 7 - 10 Story Sequence Cards

There are two main stories in Mosiah chapters 7 to 10. First, there is the story of how Ammon and his men found the people of King Limhi. Second, there is the story of how Zeniff and his people created their colony and were tricked into captivity by the Lamanite king.

The following pages contain two sets of cards that tell these stories. Print the pages out on cardstock and cut out the cards. Shuffle the cards for each story and see if you can put them in the correct order.

The king says his name is Limhi and he is the son of Noah who was the son of Zeniff.

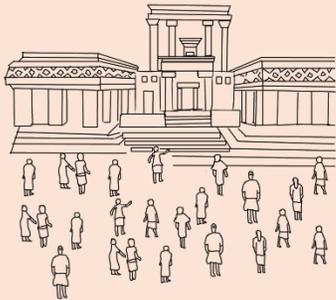

Ammon bows to the king and says he is from Zarahemla.

King Limhi rejoices that his brethren in Zarahemla are alive.

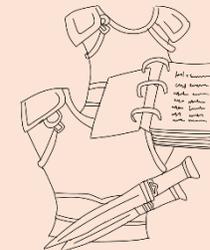

King Limhi gathers the people at the temple to have Ammon speak to them.

Ammon tells the teachings of King Benjamin to the people of King Limhi.

Limhi shows Ammon the 24 plates of gold, the swords and the breastplates that his men found in a distant land.
