

Mighty Change of Heart Game

In Alma Chapter 5, Alma talks about having a mighty change of heart. When our hearts are changed, we become more Christlike, less selfish and more loving.

(Game is for 2-4 players)

Instructions for Game:

1. Print off the game board and glue or tape together the two parts of the board.
2. Print off the heart and cloud cards and cut them out on the dotted lines.
3. Have each player choose a game piece (suggestions: Lego, button, or coin).
4. Get a dice or use a dice rolling app on your phone.
5. Place each player's game piece on the start circle. Take turns rolling the dice to move forward.
6. If you land on a cloud game square, you will choose a cloud card and follow the instructions on the card. The same applies to the heart cards.
7. The layer to arrive to the finish circle first, wins!

Place heart cards here
